PROPOSED AMENDMENT TO PORTSMOUTH'S WASTEWATER MANAGEMENT DISTRICT ORDINANCE (#2015-09-21)

Amend Section 6.2 (b) of the Ordinance:

b) A Functional Inspection shall be conducted instead of a First Maintenance Inspection for each OWTS within the District a) at the Point of Sale or transfer if prior to the inspection phasing schedule referenced in section 6.2 (d), or b) if the system is unpermitted and is < 200 feet from a coastal feature or < 50 feet from a Town or State-owned storm drain, or c) as needed at the discretion of the Inspector or Wastewater Manager at the time of inspection.

To read:

(b) A Functional inspection shall be conducted instead of a First Maintenance Inspection for each OWTS within the District a) at the Point of Sale or transfer if prior to the inspection phasing section referenced in section 6.2(d), or b) if the system is unpermitted and is located outside the neighborhoods of Island Park and Portsmouth Park or c) as needed at the discretion of the Inspector or Wastewater Manager at the time of inspection.
