

NARRAGANSETT BAY *Club*

NEW ENGLAND'S FINEST SPORTING COMMUNITY

April 4, 2022

Dear Town of Portsmouth & Council Members,

The Narragansett Bay Club, formerly known as, Newport Beach Club is requesting to reinstate the Class BV liquor license. The former entity which held our liquor license, "TNBC Beach Club, LLC" has been dissolved by the new ownership.

In April of 2021, the TNBC Master Condominium Project located on the northwest shoreline of Portsmouth, RI was sold to new owners. The owners are having tremendous success selling and building the project.

With the pandemic restrictions mostly lifted and society and businesses returning to full scale operations we intend to open our food & beverage service to our membership for the 2022 summer season, Memorial Day through Columbus Day.

Sincerely,

Bryan Diggle

General Manager
Narragansett Bay Club
