**Subject:** Additional seating at the polo field Glen Farm

The capacity according to code would be about 38 (subject to fire marshal approval)  
There would be 4 units  
18 Polo events this year  
which at the current rate of 1\$ would year the town an additional \$2736.00 per year at full capacity.

The structure could easily be removed as it will be set on small diameter, short piers and not a full foundations.

If you have any further questions please don hesitate to reach out
