Household waste must be disposed of in specially marked Town-approved bags that can be purchased at area stores. The below general information and rules are designed to comply with RIRRC regulations, promote safety, and facilitate the smooth/safe flow of traffic through the Transfer Station.

If your vehicle is sold or windshield is replaced, remove the sticker and return it to the Tax Collector's Office with the vehicle registration for free replacement sticker. Replacement of sticker without returning the old sticker is limited to one per license plate and will cost \$10.
