Subject: Curbside Collection Bids

Dear Council President:

The Town Council requested a cost comparison between Curbside Collection and the operation of the Transfer Station. The Town posted a Request for Proposals for Curbside Collection on August 10, 2022. The Town did hold a non-mandatory pre-bid conference and two firms, MEGA Waste Disposal and Republic, attended. Various questions were asked and the Town posted Addendum No. 1 detailing these questions and answers on August 23, 2022.

The Town closed the question period on August 30, 2022. Additional questions were submitted by bidders and the Town issued Addendum No. 2 on August 31, 2022. The bidding closed at 1:00 p.m. September 16, 2022. Bids were received from the following companies and their bid amounts are attached.

- MEGA Waste Disposal
- Republic
- Waste Management Disposal

Also included in this package is the cost of a six (6) month Transfer Station sticker from January 1, 2023 to June 30, 2023 for this cost comparison. The six (6) month Transfer Station sticker will bring the operations of the Transfer Station back in line with the Town's fiscal year budget instead of a calendar year budget.

Respectfully submitted,

Brian Woodhead
Director of Public Works
